

Forestry Technician (Helitack)

GS-0462-04

GS-0462-05

The Mark Twain National Forest (USDA – Forest Service) is planning to fill two Temporary Forestry Technician (Helitack), position's within our Fire and Aviation Management organization. Two positions in Rolla, MO are being filled.

This position serves on an Exclusive-use Type III Interagency Helicopter on the Mark Twain National Forest. Duties include: providing aerial and ground support in the suppression of wildland fires; inventories and inspects helicopter accessories, specialized fire equipment, and tools; ensures that tools and equipment are available and performs prescribed burning crew duties in order to reduce fuel hazards and disease.

Ninety (90) days of experience as a primary/rigorous firefighter or equivalent experience outside federal employment is a basic qualification requirement for this position.

Because these positions support helicopter operations, incumbents may be required to work long hours under strenuous conditions. Established tour of duty may include weekends and/or non-standard shifts. Although the duty station is Rolla, MO, incumbents may be required to travel with the helicopter to temporary assignments anywhere in the United States.

ANNOUNCEMENT: This position is open on an Open and Continuous Recruitment (OCR) announcement with no closing date. The vacancy announcement for this position is posted on the U.S. Government's official website for employment opportunities at, www.usajobs.gov under vacancy announcement **TEMPOCR-0462-04-HLTK-DT** for those who apply at the GS-4, and under vacancy announcement **TEMPOCR-0462-5-HLTK-DT** for those who apply at the GS-5.

If you are interested in this position, apply to the announcement and be sure to list **Rolla, MO** as a preferred duty station. Those that wish to be considered for this position must apply to the vacancy announcement by **January 10th, 2013**. The Referral List for this position will be issued to the selecting official on **January 14th, 2013**. All applicants who have applied to the announcement on or before the listed dates and are found to be qualified and in the quality group will be referred for consideration.

Firefighter Retirement Coverage: This is a covered secondary position description under the provisions of 5USC 8336 (c) and 8412 (d).

Office of Personnel Management Qualifications: Complete qualification requirements for this position can be found in the Office of Personnel Management (OPM) Operating Manual for Qualification Standards for General Schedule Positions, which is available from any Federal Government Personnel Office and OPM on their web site (www.opm.gov/qualifications/index.htm).

One year of **specialized experience** at least equivalent to the GS-3 grade level in the Federal service is qualifying for the GS-4 grade level. Qualifying experience for the GS-5 level includes one year of **specialized experience** equivalent to GS-4. **Specialized experience** is experience that equipped the applicant with the particular knowledge, skills, and abilities (KSA's) to perform successfully the duties of the position and is typically in or related to the work of the position to be filled. To be creditable, specialized experience must have been equivalent to at least the next lower grade level in the Federal service. Graduate education or an internship can also be used to meet the specialized experience required, but **only** in those instances where it is directly related to the work of the position. Equivalent combinations of successfully completed post-high school education and experience are also qualifying.

Work Capacity Test: This position participates in wildland firefighting activities. Based on the type of work performed, TAKING and PASSING the WCT at the arduous level is a condition of employment.

If you are interested in knowing more about this position contact Angie Ruble at 573-341-7480, or e-mail aruble@fs.fed.us. If you are interested in this position, please complete the enclosed Outreach Notice form and return to the address listed on the form.

ABOUT THE FOREST:

The [Mark Twain National Forest](#) is made up of six ranger districts, mainly located in the southern third of the state. The Forest Supervisor's Office is located in Rolla, Missouri. The Mark Twain NF contains approximately 1.5 million acres, comprised mainly of upland hardwoods and some associated shortleaf pine. A full range of vegetation and recreation management activities on the forest include timber harvest and regeneration activities, TSI, prescribed fire, developed and dispersed recreation, and mining.

ABOUT THE MTNF FIRE PROGRAM:

The Mark Twain National Forest experiences between 150-300 wildfires annually, burning 2,000 to 12,000 acres. There are two fire seasons, spring (February 15 – May 10) and fall (October 10 – December 10). Both overlap prescribed burning season. Primary fuels are leaf litter and pine needles. The Forest has an active hazardous fuels and ecological improvement burning program of approximately 30,000 acres per year using both hand and aerial ignition methods.

The Forest hosts the Missouri-Iowa Interagency Coordination Center which moves resources from federal and state agencies in Missouri and Iowa to incidents around the country. The Coordination Center typically mobilizes 10 or more Type II IA Crews and over 100 single resources per year.

The Forest is rated as High Complexity, primarily due to the aviation component. We host an Interagency Type 3 Exclusive-Use Helicopter from February 15 – April 20 annually. In addition to fire positions, the Forest has an active and skilled militia which contributes greatly to the fire program.

ABOUT THE COMMUNITY [The Chamber:](#)

Rolla's population is approximately 16,367, and its elevation is 1,140 feet above sea level. Rolla is

located in central Missouri off Interstate 44, Mo. Hwy. 63 and 72. The average annual temperature is 55.7 degrees, average rainfall 37.45 inches and snowfall of 11.7 inches. It is situated within 1 ½ - 2 hr. drive of three major cities (St. Louis to the east, Springfield to the west and Jefferson City/Columbia to the north).
